

## DIGESTIVE DISEASE ASSOCIATES

SPECIALIZING IN DIAGNOSING AND TREATING GASTROINTESTINAL, BILIARY AND LIVER CONDITIONS

### GENERAL DESCRIPTION OF COMPANY AND POSITION

Digestive Disease Associates offers a full range of specialized medical services which focus on all aspects of gastrointestinal (stomach and intestines) and hepatology (liver-related) disorders. Serving patients throughout Maryland, Pennsylvania, Virginia and Washington, D.C., have benefited from the patient-centered care delivered by our team of gastroenterologists, anesthesiologists and hospitalists.

Treatment is provided in one of our two state-of-the-art endoscopy and infusion centers located in Columbia, Maryland and Catonsville, Maryland. Working in a team environment focused on patient care, our mission is to ensure every patient receives a superior experience. For more information, please visit our website at [www.ddamd.com](http://www.ddamd.com)

We are seeking multiple full-time and/or part-time **Certified Registered Nurse Anesthetist (CRNA)** for our endoscopy centers located in Columbia, MD. The CRNA will care for patients before, during and after a medical procedure by performing a patient assessment, preparing the patient for anesthesia, administering, and maintaining the anesthesia to ensure proper sedation, and overseeing patient recovery from anesthesia.

### QUALIFICATIONS AND RESPONSIBILITIES

To perform this job successfully, an individual must be able to perform each essential duty mentioned satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required.

- Must be able to work independently
- Excellent verbal and written communication skills
- Ability to effectively analyze, interpret, solve practical problems
- Intermediate level computer skills involving word processing, spreadsheet and database skills. Knowledge of EMR Software is a plus
